There is a special quotation that tells: "Be the change that you wish to see in the world." It belongs to the one of the greatest people on earth - Mahatma Gandhi. He is historically world-wide famous.

I am totally agree with this quotation. Indeed, <sup>you</sup> people should start changes from ~~themselves~~ <sup>your</sup> themselves because by ~~their~~ <sup>your</sup> example people around ~~them~~ <sup>you</sup> will see <sup>your</sup> true intentions and that will motivate them to change themselves. Only with <sup>the</sup> help of others world can be changed to a better place. ~~Further more~~

<sup>Ar</sup> ~~Further more~~ Furthermore, you will not see any results <sup>so</sup> if you will use force. ~~the best way to influence to others~~ is to show that there is a huge variety of possibilities ~~ways how you can react, act, work and study.~~

In my opinion people around you form your views, <sup>your</sup> reality and even your life because people that are close to you are people that are they demonstrate their behavior and lifestyle and it becomes normal for you. That is why you should choose your surrounding carefully.

<sup>Ar</sup> there is an example in classical literature that proves this quotation. In "Capitan's daughter" that ~~was~~ was written by Alexander Sergeevich Pushkin there is a main character, Peter Griner, that change the world around him to a better place, even after all difficulties that he faced.

<sup>Ar</sup> He keeps fight ~~against~~ against murderers. They wanted to make him one of them. ~~He disagreed and they wanted to kill him~~ but he kept fight and ~~the people he loved and the world around~~ changed that's how he made a change.

<sup>Ar</sup> All in all, the main person ~~is~~ whose actions you can control is yourself and that's why the biggest changes starts with you.
